QUALITY.**

**WE TAKE A CLOSER
LOOK.**

**WEAVING DREAMS
INTO REALITY.**

OUR SERVICES

MANUFACTURING

We have the capacity to manufacture 60,000 pieces per month. Presently we are running 100 machines. Our sole aim is to provide exquisite and unheard of features to the concept of fashion technology.

PRINTING

Our services include screen printing on woven and knitted garments such as hosiery, cotton, viscose, canvas, chiffon, polyesters, silks, belts, tapes and so on with a variety of inks like Khadi, plastic sole, water based, high density, gels, glitters, Cold discharge, foils, flocks and many more. We also deal in heat transfers, brush and spray printing which is a very intricate form of garment decoration

We are Printing Also on Ready Garments.

DESIGNING

- **One-stop for all garment making supply chain.** Hire designer, pattern maker, seamstress, or copywriter all in one or separately.
- **Save time & money.** No more misunderstands between you and the factory, take 1-2 sample rounds instead of 5 sample rounds.
- **Enjoy building business.** Gather your great ideas and we will make sure turning to the best-selling products.
- **Extra help when you need it the most.** Get assistance when you are about to burn out with the project. Our deliveries come on average 3-10 days per product.
